

Carrboro Community Garden

Grow Your Own Fruits and Vegetables!

Carrboro's community garden, located in Carrboro's Martin Luther King Jr. Park on Hillsborough Rd., is open to anyone interested in growing food in an environmentally sustainable way. Please join us as we strive to create a fun and friendly atmosphere centered around the production of fresh fruits and vegetables year-round.

We welcome you whether you're new to the gardening world or have sixty years of experience to offer. The garden is open to young and old alike (though we do ask that young children be supervised) and we are always excited to have youth in need of community service hours volunteer with us.

The harvest is shared by everyone who donates their time, whether that time is spent watering, weeding, mulching, planting, pruning, tying, staking, or chasing the occasional rabbit back through the fence. If you can't stay for an entire work day that's ok - we're happy to have you for thirty minutes or three hours!

Please stop by during one of our work days (see side bar) for a garden tour and more information. Or you can send an email through our listserv: ccgc@lists.riseup.net

See you in the garden!

Join Us in the Garden!

Work day hours are subject to change based on weather, holidays, etc. Please join the listserv to stay up-to-date!

Wednesdays (in the garden)

Summer: 5:30pm - 8pm
Winter: N/A

Saturdays (in the garden)

Summer: 8am - 12pm
